WISE

Entrepreneurship:

Enhance the entrepreneurial knowledge and skills via structured programmes

Increase the knowledge and skill of entrepreneurs

Skilling:

Support women to learn marketable skills and connect with income opportunities.

Entrepreneurial skill development for sustainable business.

Incubation:

Nurture and grow women for new and small businesses.

A business incubator to offer startups and new ventures access to the resources they need, all under one roof.

WISE road ahead

Strengthen the **WISE** as enterprise hub.

Empower the proposed skill center to become value chain partner.

Generate sustainable livelihood for women and girls from vulnerable groups.

Scale the hub activities to larger catchment area

WISE, will provide vocational training in diverse domains across the services and products through Skill Centre.

WISE will provide need- based courses on the basis of market scan foundations skills and domain specific areas that are demand based for providing livelihood opportunities.

The Centre will include two main components under one window approach:

- * Livelihood Promotion Programme (LPP)
- * Entrepreneurship Development

WISE will align with sector skills council (SSC)
